

Notice-and-Access

The Canadian securities regulators have adopted rules which permit the use of notice-and-access for proxy solicitation instead of the traditional physical delivery of material. This new process provides the option to post meeting related materials including management information circulars, as well as annual financial statements and management’s discussion and analysis on a website in addition to SEDAR+. Under notice-and-access, meeting related materials will be available for viewing for up to 1 year from the date of posting and a paper copy of the material can be requested at any time during this period.

SARAMA RESOURCES LTD has elected to utilize notice-and-access and provide you with the following information:

Meeting Date and Time: Sept. 11, 2024 04:00 PM Canada/Pacific Daylight

Meeting Location: By teleconference; and at Cassels Vancouver office

Meeting materials are available electronically at www.sedarplus.ca and also at <https://docs.tsxtrust.com/2190>.

If you wish to receive a paper copy of the Meeting materials or have questions about notice-and-access, please call 1-866-600-5869 or email txtst@tmx.com. In order to receive a paper copy in time to vote before the Meeting, your request should be received by Aug. 30, 2024.
